

2009 National Specialty Raffle

Our National raffle was great success last time we used it for raising funds for the specialty. We hope this year is no exception. We ask each member to sell a minimum of 10 tickets at \$2 each. Should be an easy thing to do. If everyone does their part we will have raised over \$1000 of which our lucky winner will receive \$500! If you received more than 10 tickets you were chosen knowing you could help out a bit more and we certainly appreciate if you could sell a few more. More tickets are available for the asking since you may want to buy the first 20 yourself.

Make all requests for more tickets to either Bob or David and return any unsold tickets and the monies raised to Bob by September 7, 2009 or better yet deliver them in person to the Specialty!

Drop me a line at malysse@videotron.ca if you will be bringing them to the specialty so I can keep track of those tickets in circulation.

Return the money collected and any unsold tickets by Sept. 7th to:
