

AFTER THE 86TH CALLER SAID THEY COULDN'T LOG ON, AVERY LOGGED OFF.

©2001 Micron Electronics, Inc. All rights reserved. Micron Electronics, Inc. is not responsible for omissions or errors in typography or photography. All purchases are subject to availability. Prices and specifications may be changed without notice; prices do not include shipping and handling and any applicable taxes. Seller's return policy does not include return freight and original shipping/handling charges, and all return and warranty periods begin from the date a product is shipped, not when it arrived. A restocking fee may be charged upon the return of a product. All sales are controlled by seller's current terms and conditions of sale which are available on seller's website or from its sales representatives. On-site service is provided at sole discretion of Micron Computer Services, Inc. A diagnostic determination for on-site service must be made by a Micron service technician prior to the provision of on-site service. On-site service is provided by a third-party service provider under a separate service contract between you and the service provider. Intel, the Intel Inside logo and Pentium are registered trademarks of Intel Corporation. Windows is a registered trademark of Microsoft Corporation. Product names of Micron products are trademarks or registered trademarks of Micron Electronics, Inc. Other product names used in this publication are for identification purposes only and may be trademarks of their respective companies. *Micron University subscription does not include the cost of course materials that are required for most instructor-led courses. Micron University may change course offerings and subscription access at any time without notice.

Micron recommends Windows 2000 Professional for business. GSA Contract #: GS-35F-4317D

Hi ho, hi ho, it's off the rails we go. Micron Government Computer Systems, Inc. can be the antidote to your I.T. insanity. We provide flexible desktop, notebook and server solutions, featuring Intel processor-based ClientPro® and TransPort® products. Online learning from Micron University® can keep end users on track. Or you can stop the madness and outsource your I.T. headaches. Our Mservices menu offers solutions to meet your organization's unique needs throughout the computing lifecycle. Call 1-888-215-6396, or visit micronpc.com/loggedoff. We can be the difference between an I.T. department that's insanely great and one that's just plain insane.
