©2001 Micron Electronics, Inc. All rights reserved. Micron Electronics, Inc. is not responsible for omissions or errors in typography or photography. All purchases are subject to availability. Prices and specifications may be changed without notice; prices do not include shipping and handling and any applicable taxes. Seller's return policy does not include return freight and original shipping/handling charges, and all return and warranty periods begin from the date a product is shipped, not when it arrived. A restocking fee may be charged upon the return of a product. All sales are controlled by seller's current terms and conditions of sale which are available on seller's website or from its sales representatives. On-site service is provided at sole discretion of Micron Computer Services, Inc. A diagnostic determination for on-site service must be made by a Micron service technician prior to the provision of on-site service. On-site service is provided by a third-party service provider under a separate service contract between you and the service provider. Intel, the Intel Inside logo and Pentium are registered trademarks of Intel Corporation. Windows is a registered trademark of Microsoft Corporation. Product names of Micron products are trademarks or registered trademarks of Micron Electronics, Inc. Other product names used in this publication are for identification purposes only and may be trademarks of their respective companies. *Micron University subscription does not include the cost of course materials that are required for most instructor-led courses. Micron University may change course offerings and subscription access at any time without notice.

THEY WANT THE LATEST TECHNOLOGY.
THEY WANT IT YESTERDAY.
AND THEY WANT IT FOR NEXT TO NOTHING.
(THESE ARE PH.D'S WE'RE TALKING ABOUT.)

Even the most intelligent educators would have trouble bringing a department's I.T. allocations in line with its lofty aspirations. Micron Government Computer Systems, Inc. can help. We provide flexible desktop, notebook and server solutions, featuring Intel® processor-based ClientPro® and TransPort® products. Countless customization options and dedicated account representatives let you dream up the systems that meet your unique needs. Online learning through Micron University* helps educators realize their own noble goals. And online self-help, software self-healing options from Connected Support, and 24x7x365 technical support can free you up to reach for the stars. Let us help you stretch your I.T. budget. Visit micronpc.com/expectations or call 1-877-597-1778. It's a smart thing to do.
