October 2005

Meetings 2nd Thursday of the month from 7:00 PM to 9:30 PM • Oak View Community Center - 4625 W. 111th Street - Oak Lawn, IL

Next Meeting , Thursday **October 13th**,  
7 PM at the Oak Lawn Park District.

A big thanks to Clarence Peca the newest member of the "Shop Tour Fraternity" for hosting the September open house. His wife is so happy as we forced him to clean up his shop. He was kind enough to put out a display of his handy work.

We are taking a little ride for the next tour. Gary Friedlund who lives on the outskirts of civilization (in Crete) will be our host for the Oct 22, 2005 shop tour. Please note this is a change from the usual shop tour. Instead of being the Saturday after the monthly meeting, it is the following weekend. We will work on making some of the patterns we will use at the scrolling class.

For Sale: General brand 2 stage dust collector. 110 volt, Asking \$90. 00. Contact Dick Kelly. 815-588 3582

Welcome to last month's guest - Robert Osborn.

See Fred Rizza to order your club wear. Hats, T Shirts and aprons embossed with the club logo and slogan are a great addition to your shop apparel. It is never too early to start hinting for your favorite Christmas gift. It is also enough time to order prior to the show. Wear club emblem proudly.

We have started our honorary library, so bring a book / take a book. Expand your knowledge. See Gary Friedlund for checkout of materials. Latest additions include 3 videos on carving.

The Wood Show will be held on Fri., Oct. 15 from 12:00 PM - 7:00 PM, Sat and Sun Oct 16 th and 17th, 2005 from 10:00 PM - 4:00 PM.

**November's meeting is on the 10th** with November's board meeting will be at Nino's Pizza, 111th and Cicero. We start at 1:30 PM after the scrolling class. We will be finalizing the Christmas party.

**Woodworking show at the Odium Oct. 14-16.**

**Next Shop Tour, October 22 at Gary Friedlund's , 23921 S. Monee Rd, Crete IL 60417 - 708.235.0926**

**Shop Tour** Clarence Peca hosted the latest shop tour. Since the shop is small we decided if we could all fit. This is the result. It does show that you don't need a big shop in order to produce good work. Just a little space, a little light and a little time, It was a nice visit.
