

HUMAN SERVICES DAY – 2001

Dear Friend of Human Services:

We are writing to invite your support of Human Services Day 2001!
The 2001 legislative session will determine the State's Biennial Budget.
Critical decisions will be made about future funding for human services.

We must join together to demonstrate to legislators that there is WIDE support for investment in Human Services. Organizations and individuals alike will combine for this effort. Please join us as we ask the Legislature to "Step Up For Human Services."
