

But there is more to be achieved!

A one stop children's centre incorporating Infant and Maternal Health,  
Long day care and pre school in Jackson Ward

A better recycling system with new bins being provided to all residents

I will continue to lobby Vic Roads for a roundabout at Vineyard Rd/Mitchells Lane

Increasing community safety

Sunbury Town Centre Enhancement

A greener town with investment in recycled water systems

Extra court at Boardman Stadium

Redevelopment of Sunbury Aquatic Centre

I will not promise anything I can't deliver!

***Vote for the candidate that actually  
lives in Jackson Ward***

# Ann Potter

## Delivering for the Community!

## Support the People's Councillor

# Ann is out in the community!

Ann enjoys getting out in the community and working to make Sunbury a great place to live.

Ann has been a tremendous support to the Sunbury Street Surfer Project. Since its inception Ann has assisted us to lobby for Government and Council funding, which without, we would not be able to function.

Ann has further demonstrated her commitment to the bus by volunteering her valuable time to assist in the running of the bus on Friday evenings.

In all the time I have had the pleasure to work with Ann, I have always found her to be so approachable and dependable, she is a real asset to Sunbury.

Ann is the only Sunbury Councillor to have taken an interest in the Street Surfer Bus and I ask that you support Ann in the Hume City Council Election.

Pat Hill  
Sunbury Street Surfer Bus

Ann has worked tirelessly with Local and Federal Politicians and Local Business groups in an attempt to lessen the burden of Ansett workers who lost their jobs without notice.

Hume City Council were the recipient of the Proud City of 2003, by Keep Australia Beautiful, Ann is committed to fostering and encouraging the community spirit within Sunbury.

Ann has fought hard to ensure the great environment we live in is preserved and also successfully lobbied Western Water to ensure that Melbourne Water was available to all residents of Sunbury.

Ann successfully gained council approval for \$22,000 to be shared amongst all Schools in Sunbury to enable them to achieve either an Arts or Environmental Project that would have not been otherwise possible for them to achieve.

Ann successfully lobbied the Bracks Government to introduce 40kph zones around schools, and worked tirelessly with VIC Roads to ensure that the new Macedon Street Bridge has safe pedestrian crossings.
