Chantilly Lace

```
Ε
                   Yeah, this is the Big Bopper speaking
Hello Baby,
Ha ha ha ha ha ha ha – oh you sweet thing
Do I what?
      E
Will I what?
                           E
Oh baby, you know what I like
         В
Chantilly lace, and a pretty face
And a pony tail, hanging down
A little wiggle in the walk and a giggle in the talk
Ε
Makes the world go round
There ain't nothing in the world like a big eyed girl
That makes me acts so funny, makes me spend my money
Make me feel real loose like a long necked goose
          (no chord)
Like a girl, oh baby that's a what I like
В
                               Ε
What's that baby?
                         But but but
                              E E7
But but but
                         Oh Honey
            E
Α
But
            But
                           E
Oh baby, you know what I like
(chorus)
What's that honey
                                   В
Pick you up at eight and
                                   don't be late
But baby, I ain't got no money honey
                                                  HA ha ha ha
Oh alright honey, you know what I like
                                            (chorus)
