## I'd Like To Teach The World To Sing

D I'd like to build the world a home E And furnish it with love A Grow apple trees and honeybees G D And snow white turtledoves

I'd like to teach the world to sing

In perfect harmony

I'd like to hold it in my arms

And keep it company

I'd like to see the world for once

All standing hand in hand

And hear them echo through the hills

For peace throughout the land

That's the song I hear

Let the world sing today

A song of peace that echoes on

And never goes away

I'd like to build the world a home

And furnish it with love

Grow apple trees and honeybees

And snow white turtledoves
