

# Don't Rock The Jukebox

<sup>F Bb</sup>  
Don't rock the jukebox,

Cause my heart ain't ready,

<sup>F</sup>  
I don't feel like rockin',  
<sup>Bb F C7</sup>  
So, don't rock the jukebox,

<sup>Bb</sup>  
Before you drop that quarter,  
<sup>G7</sup>  
You got a heart broke hillbilly,  
<sup>Bb</sup>  
I've been down and lonely,  
<sup>F</sup>  
Before you punch that number,  
(chorus)

<sup>Bb</sup>  
I ain't got nothing,  
<sup>G7</sup>  
But when your hearts been broken,  
<sup>Bb</sup>  
There ain't nothin' like a steel guitar,  
<sup>F</sup>  
Before you spend your money,  
(chorus)

<sup>F</sup>  
I wanna hear some Jones  
<sup>C7</sup>  
For the Rollin Stones  
<sup>Bb F Bb</sup>  
Since my baby's gone  
<sup>F</sup>  
Play me a country song

<sup>F</sup>  
Keep one thing in mind  
<sup>C</sup>  
Standin' here in line  
<sup>F Bb</sup>  
Ever since she left  
<sup>C7 F</sup>  
Could I make one request?

<sup>F</sup>  
Against rock and roll  
<sup>C7</sup>  
You need a song that's slow  
<sup>F Bb</sup>  
To drown a memory  
<sup>C7 F</sup>  
Play a song for me
