

Horse With No Name

Em D6/9 Em D6/9

On the first part of the journey, I was looking at all the life
There were plants and birds and rocks and things, There was sand and hills and rings
The first thing I met was a fly with a buzz, And the sky with no clouds
The heat was hot and the ground was dry, But the air was full of sounds

I've been through the desert on a horse with no name

It felt good to be out of the rain

In the desert you can remember your name

Cause there ain't no one for to give you no pain

La la la la la la la la la la la

La la la la la la la la la la la
(repeat 5 or 6 times final chorus)

After two days in the desert sun, My skin began to turn red
After three days in the desert fun, I was looking at a riverbed
And the story it told of a river that flowed, Made me sad to think it was dead
(chorus)

After nine days I let the horse run free, 'Cause the desert had turned to sea
There was plants and birds and rocks and things, There were sand and hills and rings
The ocean is a desert with it's life underground, And the perfect disguise above
Under the cities, lies a heart made of ground, But the humans will give no love
(chorus)
