### Copyright Notice

The information contained in the STII ebooks on CDs were either produced by in-house content creators or downloaded from public domains of the Web without copyright restrictions; and shared to the public in support of the *WSIS Declaration of Principles in Geneva, 2003*, sec. B3, par. 25 (facilitating access to public domain information, full text can be viewed at [www.itu.int/wsis/](http://www.itu.int/wsis/)); reinforced by the *Freedom of Information* document from UNESCO that reiterated the "duty to publish."

An eBook, short for electronic book, is any type of book that has been made into an electronic edition and distributed in a digital format-- whether online on the Web, compact or floppy disc, or audio cassette.

Adobe Acrobat Reader is included on the CD.

Users pay only for subsidized costs of storage and retrieval medium together with Internet connectivity. Contents are free.
