

THE VALLEY CALLIGRAPHY GUILD
PRESENTS

Card Extravaganza Workshop

WITH *Barbara Close*

GREETING CARDS are miniature works of art! It is so much fun to work in a smaller, more tangible size as you create beautiful designs. A wide variety of techniques will be shown in his workshop: Constructing, painting, and collaging. I want the students to enjoy the *process* as well as the outcome of designing cards with thought and skill combined. Lettering artists will be able to add special touches as they create, but knowledge of calligraphy is not required. Everyone will be able to have fun designing unique greeting cards.

BARBARA CLOSE has been a freelance calligrapher, graphic designer, and instructor for a number of years and has a BFA in graphic design from California State University at Fullerton. Her work was included in the late Glen Epstein's Calendars and can be seen in Artful Book of Days Calendar sponsored by the Society for Calligraphy. She's designed several greeting cards for Marcel Schurman Co., Papyrus, and has also designed the logo head for Somerset Studio Magazine and an alphabet cartridge "The Calligraphy Collection" for ProvoCraft's Cricut die-cut machine. She currently teaches a year-long calligraphy program at her studio in Santa Ana, California, as well as on-going adult education classes in Cerritos, California.
