THE CHIEF SPEAKS

As the sun sets on the Mighty Laguna, there is the birth of a new nation, one that seeks to live up to the reputation of its predecessor and to set a new standard for having fun in the realm of the values of our Great Spirit. It is the Wildcat Nation!

I welcome you to a new year in the Y- Princess Program with many fun activities. Together we can make this a fantastic and memorable year with our daughters. We have the opportunity to shape the character and personality of our new nation by working together as a team, and it starts with your tribe.

The Wildcat Council, along with our Medicine Man, Alan Cash, is made up of dads, who are very committed to the program. I believe you will be pleased with this team. I, along with this team will work very hard in making this year fun for you and your daughters.

As you can see from the enclosed schedule our first event will be a combination of Camp Del Mar and the Induction ceremony. Additionally, this is the inaugural campout of the Wildcat Nation where we are going to have a big night during the Saturday campfire. Bring your shakers to make some noise!

We have two new and exciting campouts this year; they are Mission Trails in San diego, and Blair Valley. I'm really looking forward to these new sites and of course to the entire season.

As the sun rises on the Mighty Wildcat Nation, let us remind ourselves of why we are involved in the Y- Princess Program-it is for the love we have for our daughters.

Sincerely,

Chief Soaring Falcon

MAGDALENA ECKE FAMILY YMCA
We build strong kids, strong families, strong communities.
