Permanent Address:

4600 Duke St. Apt.#905

Alexandria, VA 22304

Current Address:

1315 University City Blvd Apt. #12

Blacksburg, VA 24060

Objective:

I'm told I should say "Co-op or internship in software development," but in reality, I'm looking for a way to back up my knowledge, education, and general knack for software design with hard experience in order to finally compose all of the ingredients to take my career plans (and life goals) to the next step.

University:

Virginia Tech School of Engineering, class of 2011 (2nd year student)

Major:

Computer Science

GPA (as of 10/22/08):

3.7
