You also agree to the following terms if your franchise wins First Place or you have current custody of the League Trophy:

- 1) A deposit of \$350 will be withheld from your winnings if you choose to accept temporary custody of the League Trophy. If you do not accept custody of the Trophy, then you will be awarded the full amount.
- 2) The deposit will be held by the League at 1% annual interest from the May 15th after your win until you relinquish custody of the trophy.
- 3) Temporary custody of the Trophy begins no later than 6 weeks after the end of the NHL Regular Season you won in and ends no later than 2 weeks after the end of the NHL regular season following the season you won unless repairs or replacement of the Trophy and/or packaging is required. This is to allow for updating of the Trophy display with the latest information and any other improvements deemed necessary by the League. You must be available to return the Trophy to the League Commissioner or his representative no later than 2 weeks after the end of the following NHL season after your win, or risk forfeit or reduction of your deposit. \$25 per week will be deducted from the deposit until both the Trophy and packaging are returned. - 6) Any damage or loss of the Trophy will be taken from the deposit. Once you are eligible to regain your deposit, you may elect to apply all or part of the amount to the nearest YYZ Entry Draft Fees. Additional amounts will be refunded by check within 30 days from the completion of repairs or replacement of the Trophy.
